Partner with Youth 2015

Annual Campaign

Partner with us to promote
and enhance the physical,
mental and moral well-being
of area youth!

Build a stronger Wabash Valleyone child at a time

Wabash Valley Youth in Action believes that no one- regardless of age, race or religion- should be turned away from all we have to offer because of inability to pay.

Our **Partner with Youth Annual Campaign** allows us to reach out to children, teens, and families in need.

The campaign's success depends on charitable contributions from people like you!

Through Partner with Youth, the YIA can provide a wide range of programs and activities for families who cannot afford the cost of programs.

"When we give cheerfully and accept gratefully, everyone is blessed."

— Maya Angelou

As a charitable non-profit organization, the YIA is dedicated to being available to all local children. Only with your help can we provide more children with a safe and nurturing place to learn sports programs and provide guidance and creative outlets they need. Together we can give every child a place to go and a chance to grow.

How your donation helps

...\$50 provides a child's registration fee for a youth sport

...\$125 provides a child a One-year youth membership

...\$500 sponsors a Youth Sports Team for one season

...\$1000 helps support the mission of the YIA

100% of your donation goes directly toward providing these services.

No amount is too small.....
