

# Wabash Valley Youth in Action

## Rookies TeeBall Rules

Games will be played on Tuesday and Thursday evenings, starting either at 5:30p or 6:30p at Mt. Carmel Little League Field 3 located next to the VFW at 1<sup>st</sup> and Market St.

Games will consist of 3 innings. Each inning will consist of each player getting a chance to bat. (The ball must be hit inbound in order for the hit to be counted.) There will be no strike outs.

NO player will be called out at any time during the game. If the ball beats the runner to the base the runner will continue to run.

The last batter for each team will be allowed to clear the bases. At no other time will a runner be allowed to run all bases. A hit in the infield will be one base. A hit into the outfield will be a double. (Coaches, please rotate your line-up so everyone has a chance to bat last and clear the bases during the season.). Offensive team Coach needs to let the Defensive team Coach when their last batter is up to bat.

Players will cover the normal positions except the catcher position. The coach of the team up to bat will play catcher and place the ball on the tee for their hitters. If there are more players than positions, please create additional positions. No child should be sitting in the dugout when his/her team is in the outfield.

Coaches/Adults will be in the field helping their players when they are fielding the ball. Coaches should rotate their players so each of them has the opportunity to play all positions during the course of the season.

Coaches are responsible for their team line up, (rotating players evenly on offense and defense), snack schedules, and making sure their players are sitting on the sidelines.

**Players should remain seated in the dugouts until their turn to bat. They should remain 15' away from the Tee while other players are up to bat. Do not let players walk around near the tee or walk around with the bats.**

Field must be raked after **EVERY** game.
